Golden West College Community Education & Activities Summer 2019 - Calendar of Events

MOVIE SET BUILDING & DESIGN.... THEN ANIMATE WITH LEGOS

(AGES 7 - 14)

Join this incredible new camp where participants will design and build their own miniature sets using XPS foam and special painting techniques to create life-like set pieces to use in your own animated movies. Utilizing the same techniques that set builders use in Hollywood, participants will build castles, brick walls, mountains, trees, and wood structures. The real transformation happens when participants apply special painting techniques such as base coating, dry brushing, highlighting and washing which bring these miniature sets to life! After the finishing touches are complete, participants will then use Lego characters to create their own Stop-Motion animation movie. Whether it's a re-creation of an epic pirate battle scene, or an adventure in another galaxy, this workshop is the ultimate chance to have a hand in ALL aspects of movie-making! **There will be a \$25 material fee payable to the presenter at the first meeting.**

Program fee \$215

5 meetings

Mon - Fri, Jul 15 - 19

9 am - 12 pm

Rec Ed 100

3532.001

Presenter: Movies by Kids - Founded in 1993, Movies by Kids is dedicated to teaching the exciting process of moviemaking and animation.

JUNIOR POLICE ACADEMY- CAMP I

(ENTERING 6 - 8 GRADES)

The Golden West College Jr. Police Academy is designed to introduce participants to the exciting world of the American Police Service. This program will emphasize personal character while introducing participants to the building blocks of police training: police science, discipline, accountability, and personal wellness. Each day participants will be mentored by active duty police and criminal justice system professionals while receiving classroom instruction in Physical Fitness, Crime Scene Investigation, Gangs, Narcotics, K-9, and more. Participants will run agility courses, search for suspects in our state-of-the-art scenario village and connect and learn from members of your own community; men and women in blue who model the very best in public service. Engaging and fun, participants will graduate with a new appreciation for serving others and a renewed sense of personal discipline. **Please bring a bottle of water to camp each day. Friends and family are invited to the graduation ceremony at 10am on the last day of camp.**

Program fee \$255

JUNIOR POLICE ACADEMY - CAMP II

(ENTERING 6 - 8 GRADES)

Prerequisite: Completion of or Enrolled in Junior Police Academy Camp I

This camp will build on and reinforce what was learned in Camp I. Participants will be re-introduced to various aspects of law enforcement. Some topics include the U.S. Constitution, Law enforcement Code of Ethics, Six Pillars of Character, responding to various incidents, making contact with the public, building search techniques, personal safety, as well as guest speakers from Detectives, SWAT, Police Explorers and Police Cadets. Engaging and fun, participants will graduate with a new appreciation for serving others and a renewed sense of personal discipline. **Please bring a bottle of water to camp each day. Friends and family are invited to the graduation ceremony at 10am on the last day of camp.**

Program fee \$255
